- Listen to your favorite books via “LuisterBieb” app: the app for audiobooks

- With the LuisterBieb you can enjoy the most beautiful audiobooks anywhere, anytime. Download the free app for tablet or smartphone in the app store or Google play.
- Register as a user and get access to 3,600 audiobooks
- Borrow your favorite audiobook and listen wherever and whenever you want!

- You can find even more educational tips on the Eindhoven Library website!

Take a look at the special “Tips for those who stay at home”, and the daily home-schooling tip on the Facebook page of the Eindhoven Library:

<https://www.bibliotheekeindhoven.nl/tips-voor-thuisblijvers.html>

- Some of the above apps and websites require you to create an account first

You will need the number of your Eindhoven library card for this. You can also use your school library card. Because your school is currently closed, you can request this number by emailing the Mediacoach: j.vandegriendt@bibliotheekeindhoven.nl

You log in with your library card's pass number and password: it consists of 4 digits.

Example: your date of birth is 12-05-2009, then the password is 1209.

Good luck!
